We go the distance to help you succeed...
Every step of the way.

We've got the all-in-one solution... The next generation of Pilates equipment

A successful, tailored Pilates program requires the perfect combination of programming and equipment. The V2 Max Plus™ takes you beyond the basics.

This refined Pilates machine is perfect for facilities looking to implement multi-faceted, cutting-edge Pilates programming in a limited space.

Facilitating limitless exercise possibilities including all-new V2 Max Plus programming, this one-of-a-kind unit multi-tasks as a Mat, Reformer and Cadillac.

The unit's innovative vertical-frame pulley system and proprietary retractable rope system replicates the free, multi-dimensional movements of daily life.

With an increased range of motion the V2 Max Plus becomes the premier tool for sport-specific, rehab and cross-training movement.

The V2 Max Plus has expanded Pilates repertoire like never before – ultimately increasing *who* can do Pilates and *what* they can do.
